

LakePro Nature's Blend

LakePro Nature's Blend is an all-natural bacterial product that balances ponds and lakes, lowers ammonia, and can remove 30-60% of your sludge. This product is a unique formula of select biological species, 23 essential vitamins, biostimulants, and fast-acting enzymes that are essential to healthy and robust microbiological development.

— 30 Pounds; 1 Pound Packets —

Dosage Instructions

STORE IN A COOL, DARK PLACE. For best results we recommend using aeration and applying LakePro Nature's Blend when the water temperature is between 60°F and 75°F (15.6°C-23.9°C).

INITIAL DOSE: 3-lb per surface acre.

SUPER DOSE: 1-lb bi-weekly or 2-lb per surface acre monthly.

LakePro Nature's Blend Safety Information
